TO WHOM IT MAY CONCERN

I am very pleased to write letter of recommendation to **Mr. Leul Chanie**. He is known to me and presently he is BSc Degree graduated student in Electrical and Computer Engineering (Computer focus) from the department of **Electrical and Computer Engineering at Woldia University, Ethiopia**. During his stay in the University, he has done BSc Project entitled as “Web based patient’s management system” and he carries out it successfully as per the requirement.

As a department head and a lecturer of Electrical and Computer Engineering in Woldia University, I have known **Mr. Leul Chanie** for about 5 years. As I know him, his enthusiasm, competence, dedication and ability to work in teams with a genial temper needs special acknowledgment. He is an individual of constant pursuit for knowledge and has been keeping himself abreast latest development in technology related to his specialization of Electrical and Computer Engineering discipline and other fields.

Mr. Leul Chanie is a soft spoken, young, dynamic and dependable person. He has aptitude for research and higher learning. I recommend him for higher education research or any other suitable assignment he chooses to build his career. I wish him all the best in his/her future endeavors.

Sincerely,
